

Hospital Main Auditorium & Conference Rooms

Turn into the main hospital entrance off Wilson Terrace. Proceed straight up the driveway and enter the parking structure. Parking is a \$1.00 every half-hour, up to a maximum of \$6.00/day.

When entering the building from the ground floor (level H3) proceed down the hall straight ahead. The Main Auditorium and Conference Rooms are on your left.

If entering the hospital from the main entrance, take the elevator down one level to the ground floor. After exiting the elevator make a left at the hall and proceed down the corridor. Make another left at the first hallway. The Main Auditorium and Conference Rooms will be on your right, across from the cafeteria.
