

*Thank you for helping us celebrate
Verdugo Mental Health's 50th anniversary.*

Now is the perfect time to renew the commitment to care for children, adults, and families in Glendale who struggle with financial hardships and the burden of mental health issues and addiction disorders.

Please consider supporting our future vision for our new building and clinic, VMH CARE, by pledging an amount indicated below or donating today so VMH can continue to serve the community for the next 50 years and beyond.

*Your name will gladly and proudly be recognized in our new facility by size
according to the pledge amount.*
